Bus and Coach Transport Information

Bus and Coach Transport Information

Wolverhampton Grammar School is well served by public bus services from Wolverhampton City Centre, Bridgnorth, Castlecroft, Claverley, Codsall, Perton, Pattingham, Pendeford, Telford, Tettenhall and Worfield.

The City Centre also has a train station operated by Virgin Trains serving all mainline routes in and around Wolverhampton, Birmingham, Telford and Shrewsbury.

The School also operates its own Bus and Coach services (in collaboration with Hills Coaches).

Buses and coaches are provided every day the School is open to our students (excluding induction days). Parents are asked to ensure that their child is ready at the bus stop ten minutes before the times indicated on the routes.

All times are approximate and may vary slightly in difficult weather conditions. In the event of adverse weather or to contact drivers urgently, please contact Hills Coaches direct tel 07710 113941 for Penkridge, Stourbridge, Telford and Walsall routes and Wolverhampton Grammar School tel 07584 568161 for the Bridgnorth route.

Tickets may be purchased as a termly pass for both mornings and evenings or subject to availability: as a morning termly pass as an evening termly pass or as single trip tickets for ad hoc journeys. A daily travel service booking form must be

completed for all types of tickets. This form is available from Diane Hartshorne or Stephanie Netzer at School or can be downloaded from www.wgs.org.uk/admissions/transport-arrangements.

Termly passes need to be booked in advance of each academic year. Single trip tickets can be purchased at least one day in advance from the Main School Reception. Charges for termly passes and single trip tickets will be added to your next term's fee bill.

For students in Year 11 and Year 13, a 50% reduction will be given on the termly pass charge during the Summer Term because of public examinations.

Bus prices are calculated based on the provider i.e. a school minibus or coach provided by Hills Coaches and the number of miles a bus stop is away from the school, which have been split into zonal areas: Zone 1 (0-6 miles), Zone 2 (6-10 miles), Zone 3 (10-15 miles), Zone 4 (15+ miles).
