

# JUNIOR SCHOOL BULLETIN

2 December '16

## All the fun of the fayre

The Junior School hall was alive with the sounds, sights and smells of Christmas as our annual fayre took place on Friday. The class hampers looked particularly impressive, and thanks must go to Mrs Gill, Mrs Jamil, Mrs Shaikh and Mrs Macduff for putting them together, and presenting them so beautifully. Santa was a huge hit this year, complete with little helper, and he was most appreciative of his new-look grotto, and its new location. As always, the event was an important fundraising occasion for both the Friends Committee and the school's chosen charities, and the exact amount raised will be communicated soon. Our annual Shakespeare event took place on Monday, and the children watched a superb afternoon performance of 'The Tempest' with great maturity. No doubt you all will be pleased to hear that the company commented that the Juniors were a credit to the school.

## Junior School News

Congratulations to Zena Asbury after winning gold for 50m butterfly, and silver for 50m front crawl, at a recent competition at Wombourne swimming club. Well done to Agam Midda for securing the Carol Service solo - it was a truly fantastic audition! The U8 and U9 girls have been following in the footsteps of the U11 team with yet more hockey success, this time against strong competition from King's Hawford (the ever-elusive U11 team will have their photo snapped soon, as promised in last week's bulletin!).

## Aladdin final arrangements

Numbered tickets will be issued for both shows on Monday. As the seats are numbered too, there is no need to arrive early to secure a spot. On Wednesday, children may leave at 3.30pm should they wish to go home before returning for the performance. Please ensure that children return by 5.45pm. Alternatively, children may stay on as normal where they will be supervised until the show. If children do choose to stay after school, please supply them with a packed tea. For those parents that cannot make the evening performance, proceedings should be finished by 8:00pm.

## Carol Concert

A reminder that tickets will be allocated soon. Please ensure your request slip has been handed in.

U8 & U9 Hockey teams

## Finally...

With House Hockey, Rugby and the House Quiz to come, there is still everything to play for, and a pre-quiz House leader board update will be issued next week. Please can all children ensure that they have the correct kit, especially a gumshield, in order to represent their house next week.

## Key Dates

5 December	Aladdin Dress Rehearsal
6 December	Aladdin Matinee 2pm
7 December	Aladdin 6:30pm Yr 5 & 6 House matches
